- * All Carbon Whips needing wires replaced must be completely rewired w/stainless.
- * Wire Whips with more than half the wires broken should be completely rewired.
- * Wire Whip prices are based on standard Hobart type whips.
- * Not all wire whips are repairable. Whips must be able to be taken apart to be repaired.
- * All whip heads are glass bead cleaned and top rings are tinned if needed
- * \$20.00 minimum charge for whip repair.
